

DOCUMENT #21: Mrs. Kathryn Cart

December 12, 1992

Your Honor:

I am a nurse who practices in the vicinity of Philip Savage's office. In 1990, I applied for the Healing help of Philip Savage (after having been referred by many of his former consultants who were extremely satisfied with his cares).

Not only was I apprised in advance of his fees, but also Philip Savage then fulfilled perfectly the results I was asking him to reach.

There are in our region a great many persons who think as I think, but they *ate* terrified of the police and they do not dare to speak and to testify.

Until the famous TV show, no one ever complained against the efficiency of his cares.

Respectfully,
