

DOCUMENT #13: Mr. R. Mandart
(addressed to Philip Savage)

Dear Sir:

I had the privilege of meeting you, with my wife Annick and my daughter Marjorie, on April 17, 1990. I would like to express to you my gratefulness, essentially for two reasons.

The first is located on a practical level because my wife has been incredibly relieved since your first intervention which induced a true disappearance of all her respiratory troubles, while my daughter also got rid of her psoriasis.

The second is based on a spiritual level, since the interpretation of the true nature of Life by which you bestowed us was a wonderful translation of all that I always felt in secret. You greatly strengthened me in my own philosophical beliefs.

It is nothing but unthinkable that all of us could be so mistaken, when your Powers demonstrate in the most indisputable way that I have been blessed to have the opportunity to meet you personally. You are a person who has been endowed with the sacred abilities to travel between our world and the invisible one.

I hope to have the privilege to meet you again soon.

Sincerely,

Mr. Mandart
