To Whom It May Concern;

I have known Mr. Philip Sauvage for approximately nine months, during this time Mr. Sauvage has impressed me as an extremely honest and sincere person of the highest moral character.

Because of his many positive attributes and after an extensive background review, I now utilize Mr. Sauvage as a consultant for my security and investigative firm. Mr. Sauvage and I are also partners in what hopefully will be a very profitable business venture, which would ensure that Mr. Sauvage and his family would not become a burden on the U.S. social services programs.

As a retired Navy officer and a self employed businessman for the past twelve years, I consider myself an excellent judge of character. As such, I can state that a person of Mr. Sauvage's character and honesty is rare indeed.

It is a sincere pleasure for me to assist in any way in providing Mr. Sauvage the opportunity to fulfill his dream of residing in our great country and ultimately the opportunity to become a United States citizen.

Sincerely,

Frank Thornton
Lieutenant USN/Retired
